Art Center Offers Camps, Classes & Workshops During Winter Break

Summit, NJ (November 17, 2017)—Artists—and parents of artists—looking for a fun, creative way to spend their winter break can look to the Visual Arts Center of New Jersey’s Studio School for their answer. The Art Center is offering super-condensed mini-sessions that squeeze a month’s worth of instruction into a single week. Subject matter ranges from painting and monoprint to ceramics and photography. The Center will also offer “sampler” classes that offer students a bit of everything in a single course and “intensives” that offer concentrated instruction during a single class. Week long sessions run the weeks of December 18-22, 2017, December 26-29, 2017, and January 2-5, 2018. For the entire list of offerings, and to register, visit artcenternj.org.
