Summer Art Camps

Summer Art Camp at the Visual Arts Center of New Jersey helps campers take advantage of the wellness benefits of art-making, including boosted self-confidence and improved social and emotional wellbeing, all while providing a fun and creative camp experience. Last summer, the Art Center safely welcomed more than 1,000 happy campers with zero reported cases of COVID-19. This summer, we will keep individual class sizes small for maximum instructor and counselor attention. Camps will be held indoors in our well-ventilated, sanitized, professional art studios. For caregiver convenience, a car line will be used for camper drop-off and pick-up, and, based on parent feedback, we will be communicating via email about what happens during the camp day at the Art Center. **Please note that safety is a priority, and specific protocols will be refined based on guidance closer to the start time of camp; these details will be shared with caregivers in a welcome email prior to your session.**

DROP-OFF & RELEASE OF STUDENTS Student safety is important to us. Students under 18 will only be allowed to leave the Art Center with the designated pick-up person(s). For students 10 and over, guardians may sign a form if they wish for their child to walk home at the end of the program. Permission forms are available through the Studio School at studioschool@artcenternj.org. If campers are not picked up by 3:30 PM, they will be sent to the extended care studio, and guardians will be charged the day rate for extended care.

STUDENT BEHAVIOR The Art Center reserves the right to dismiss any student, without refund, for inappropriate behavior.

CELL PHONES AND ELECTRONIC DEVICES Campers may have cell phones with them; however, cell phones may not be used during the camp day. Campers will be allowed to check their phones only during lunch. Recording of class or camp sessions is not permitted.

STUDENT SUBSTITUTIONS No student substitutions allowed. Only students enrolled in the program can attend, unless they have the permission of the Director of Studio School.

STUDENT PROPERTY The Art Center is not responsible for artwork and other property left on the premises and has no liability if such property is lost, stolen, or damaged. Any artwork left after the session ends will be discarded.

MAKE-UP SESSIONS The Art Center will be closed for dates listed on our website. Makeups and refunds will not be offered for classes missed by students.

PHOTOGRAPHS The Art Center will occasionally document programs using photography or video for promotional purposes. Summer Camps will be documented daily and images shared with parents of campers.
